Hello Friends

Just a quick note to everyone, we are very sorry but owing to problems with our computers we are unable to send out our 2015 late summer newsletter. In view of this situation we will be publishing a bumper edition newsletter that will come out the first week of December.

We know how much our members look forward to our newsletters but hope that you will not be too disappointed.

If you need to contact C.A.T.S. you can ring me on 01229- 869705. or e -mail me moyramm@yahoo.co.uk or moyra@cumbriancats.co.uk or write to us at The Old Cottage, Garden Terrace, Baycliff, Ulverston, Cumbria LA12 9RP.

TFNC news update

As we said in our last newsletter Elizabeth has suffered another set back and can not see any possibility of returning to the TFNC group for some time yet. Elizabeth and Sharon are inviting members of the TFNC group to transfer over to C.A.T.S. so they will still have Thyroid support. If you wish to join us please contact me at the C.A.T.S. office. Elizabeth and Sharon are quite happy for this to happen.

Public Meetings news

Owing to holidays and other commitments we still have not managed to arrange any more meetings, we are sorry about this but will have a news up-date about our meetings in our bumper newsletter in December

Keep well, Keep happy see you all in December

Best Wishes Moyra
